REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: A terminal disclaimer has been filed to overcome the obviousness double patenting rejection of the claims.

Independent claims 1, 9 and 16 have been amended to include limitations present in independent claims 27 and 33 whereby no portion of the photoresist is exposed to light in both exposures. Murooka teaches overlap areas of exposure in the two exposures. The amendments made to the claims overcome the 103 rejection over Murooka since the language precludes the overlap areas of exposure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication should be directed to Examiner K. Duda at (571) 272-1383. Official FAX communications should be sent to (571) 273-8300.
